### *Probus Events:*

#### *December 13 – Christmas Lunch*

I was unable to attend. David Armstrong filled in in yet another Executive position...Thanks David. Also, thanks to Ollie and Hal for their good work on this event and Joyce Fuerst for creating and donating two very attractive Christmas door hangings - yet again! I understand that 32 members and guests attended and chowed down on turkey and all the fixings. All in attendance were entertained by the EKOS singers. The meal, door prizes and tabletop gifts were very good. Both rooms had been decorated and illuminated throughout. David provided these pictures of the event for your viewing pleasure.

*Interesting aside* (Not even Christmas is safe - enjoy)

- What did Santa say at the start of the race? Ready, set, ho ho ho!
- Why are Christmas trees so bad at sewing? They always drop their needles.
- What's an elf's favorite sport? North Pole-vaulting.
- Why didn't Rudolph get a good report card? Because he went down in history.
- What do you call a snowman with a six-pack? The abdominal snowman.
- Why is a foot a good Christmas present? Because it makes a good stocking filler.
- How does Rudolph know when Christmas is coming? He refers to his calen-deer.
- What do you call a greedy elf? Elfish.
- What falls at the North Pole and never gets hurt? Snow.
- What kind of photos do elves take? Elf-ies.
- What is it called when Santa takes a break? A Santa pause.

Have a great *Holiday Season*
